Persons with disabilities who need special assistance may call 417-237-7300 or 1-800-735-2466 (TDD via Relay Missouri) at least 24 hours prior to meeting.

Representatives of the news media may obtain copies of this notice by contacting: Meagan Milliken, P O Box 611 Carthage, MO 64836 417-237-7300

CWEP BOARD MEETING MINUTES

The Carthage Water & Electric Plant Board met in regular session July 17, 2025, 3:00 p.m. at the CWEP Office, 627 W. Centennial, Carthage, MO.

Board:	
⊠Brian Schmidt -Vice President ⊠Ron Ross- Member ⊠Darren Collier - President	 ⊠ Sid Teel - Secretary ⊠ Tom Garrison – Member ∑ Mark Gier - Member
☐ Jack Perkins - Liaison Staff:	
 ○ Chuck Bryant-General Manager ○ Cassandra Ludwig-General Counsel ○ Jason Peterson-Director of IT & Broadband ○ Megan Kirby- Executive Assistant 	

Others present: Mayor Bren Flanigan; City Council Ward 4 nominee, Beth Kang

President Collier called the meeting to order at 3:00 p.m.

ADDITIONS/CHANGES TO THE AGENDA:

GM Bryant requested Agenda item 1, Presentation by Bob Moye, Senior Vice President with Tyr Energy, be discussed last as Agenda Item 4.

APPROVAL OF MINUTES:

A motion by Gier and seconded by Schmidt to approve the minutes as presented of the regular meeting of June 18, 2025, passed unanimously.

APPROVAL OF DISBURSEMENTS:

A motion by Garrison and seconded by Teel to approve disbursements for June in the amount of \$3,893,519.06, passed unanimously.

FINANCIAL STATEMENT:

CFO Nugent noted due to the end of the Fiscal Year 2024-2025, there will not be any financials to approve this month to allow a little longer for staff to finalize for the audit. She noted June and July financials will be on the agenda for next month's Board meeting.

COMMITTEE REPORTS: None.

CITIZENS PARTICIPATION PERIOD:

Mayor Bren Flanigan introduced Beth Kang to the Board as a City Council nominee for Ward 4.

OLD BUSINESS: None.

NEW BUSINESS:

1. Consideration to proceed with the purchase of a bucket truck

GM Bryant reported an approval request to proceed with the purchase of a new 2026 model, 41-foot articulating telescopic bucket truck for the electric distribution department. This bucket truck meets the specifications and requirements of CWEP and is available for purchase from Altec Industries, Inc. through a competitively solicited cooperative contract for \$225,833.00. This cost falls below the budgetary amount of \$280,000.00 and has an estimated delivery date of May 2026.

Due to potential inflation, market volatility, and possible tariffs, the pricing for this vehicle is subject to change and will be confirmed closer to the production date.

A motion by Ross and seconded by Schmidt to approve awarding the purchase of this vehicle to Altec Industries, Inc. in the amount of \$225,833.00, passed unanimously.

2. Consideration to proceed with the water drainage and equipment parking area project

GM Bryant noted a request for approval to proceed with the water drainage and equipment parking area project, located north of CWEP's existing truck barn building.

This project will involve site excavation, storm drainage, construction of a 1,877 square-foot retaining wall around the parking area, asphalt paving, and fencing. The total estimated cost for this project is \$410,117.00. All work will be conducted in accordance with the General Construction and Operational Maintenance Services Contract with Randy Dubry Construction.

A motion by Ross and seconded by Garrison to award this project to Randy Dubry Construction for \$410,117.00, passed unanimously.

3. Consideration of Resolution 2025.02: A resolution recommending and requesting the City Council declare its intent to finance the costs of projects for the electric system.

General Manager Bryant presented Resolution 2025.02: A resolution recommending and requesting the City Council declare its intent to finance the costs of projects for the electric system. He noted the adoption of this resolution will capture replacements and upgrades to the electric system, including with out limitation the acquisition, construction, installation,

improvement, furnishing and equipping of a substation with the financing to be payable from the legally available revenues of the City's electric system to be appropriated on an annual basis and other legally available funds of the City.

GM Bryant noted CWEP expects that expenditures will be made, by or on behalf of itself and the City, after the date of adoption of this Resolution in connection with the Project, and CWEP intends to reimburse itself, or, if applicable, the City for such expenditures with proceeds of tax-exempt financing. The maximum prinicpal amount of the tax-exempt financing expected to be issued for the Project is \$25,000,000

A motion by Gier and seconded by Schmidt to pass Resolution 2025.02: A resolution recommending and requesting the City council declare its intent to finance the costs of projects for the electric system, passed unanimously.

4. Presentation by Bob Moye, Senior Vice President with Tyr Energy

General Manager Bryant welcomed Bob Moye, Senior Vice President with Tyr Energy to the Board highlighting briefly how they helped Carthage Water and Electric Plant manage market interaction during Winter Storm Uri back in February of 2021. Bob Moye went into detail about the Energy Management Services that TYR provides and explained market conditions, capacity needs, prices, transmission and infrastructure demands and reliability challenges.

GM Bryant thanked Moye with TYR Energy for coming and sharing his knowledge and thoughts with the Board. Bryant expressed his appreciation for their partnership with CWEP.

STAFF REPORTS:

CFO Nugent noted we received the forklift that was ordered early last fiscal year and have been able to use it to move around some of the larger items in the yard. She reported the annual physical inventory count was completed and, as in past years, the adjustment was very minimal in comparison to the value of the entire inventory. She noted the auditors performed their test count on June 30th with no adjustments or questions that could not be answered by the staff. CFO Nugent presented the quarterly investment report as required by the investment policy.

General Counsel and Director of Customer Relations Ludwig announced the Wellness Committee has arranged for a CWEP Family fun Night Pool Party at the Municipal Pool on Wednesday, July 30th from 5:30pm-8:00pm and invited the Board members to attend.

Director of Power Supply Emery gave an update on Transformer 3-1.

GM Bryant noted Fiscal Year evaluations have been completed and went well. He noted the MPUA Annual Conference will be held the first week in October at Lake of the Ozarks and invited the Board Members to attend.

BOARD MEMBER COMMENTS:

President Collier expressed his appreciation to the lineman who participated in all the Mutual Aid efforts this storm season. He commended staff for a job well done with the presentation of the Budget.

At 4:24pm, a motion by Ross and seconded by Teel to close a portion of the regular meeting pursuant to Section 610.021(1) of the Revised Statutes of Missouri: legal actions, causes of action or litigation involving a public governmental body and any confidential or privileged communications between a public governmental body or its representatives and its attorneys, passed unanimously via a roll call vote.

Collier: Aye
Garrison: Aye
Gier: Aye
Ross: Aye
Schmidt: Aye
Teel: Aye

The meeting went into closed session.

At 5:07 p.m. the meeting returned to open session. Ross moved to adjourn, Gier seconded, and the meeting adjourned.

	President – Darren Collier
Secretary – Sid Teel

Financial Ratios For the 12 months ending June 30, 2025 & 2024

The ratio of total current and accrued assets to total current and accrued liabilities. Measures CW&EP's short-term liquidity (the ability to pay bills). The higher the ratio, the more capable the company is of paying its obligations, as it has a larger proportion of asset value relative to the value of its liabilities.

This ratio measures CW&EP's ability to meet its current and long-term liabilities based on the availability of assets.

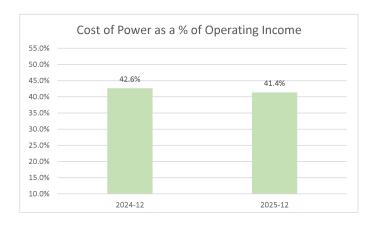

Represents the number of days that CW&EP can continue to pays its operating expenses, given the amount of cash available. The average days cash on hand is 90-120 days, with 200 days preferable for a high bond rating.

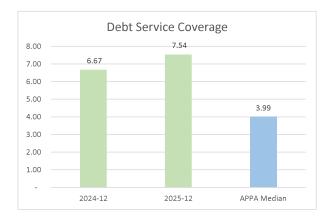

The ratio of total operation and maintenance expenses to total operating revenues. The smaller the ratio, the greater CW&EP's ability to generate profit if revenues decrease.

Financial Ratios (continued) For the 12 months ending June 30, 2025 & 2024

Represents the total dollar amount of Purchased Power as a percentage of the Electric Department's operating income.

Debt service coverage ratio is a measure of the cash flow available to pay current debt obligations. A debt service coverage ratio greater than 1 means the entity has sufficient income to pay its current debt obligations.

Financial Ratios For the 1 months ending July 31, 2025 & 2024

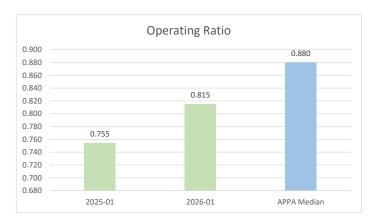

The ratio of total current and accrued assets to total current and accrued liabilities. Measures CW&EP's short-term liquidity (the ability to pay bills). The higher the ratio, the more capable the company is of paying its obligations, as it has a larger proportion of asset value relative to the value of its liabilities.

This ratio measures CW&EP's ability to meet its current and long-term liabilities based on the availability of assets.

Represents the number of days that CW&EP can continue to pays its operating expenses, given the amount of cash available. The average days cash on hand is 90-120 days, with 200 days preferable for a high bond rating.

The ratio of total operation and maintenance expenses to total operating revenues. The smaller the ratio, the greater CW&EP's ability to generate profit if revenues decrease.

Cybersecurity Policy

<u>Purpose</u>

This policy establishes CWEP's overarching cybersecurity governance structure. It affirms the Board's commitment to protecting CWEP's digital infrastructure and critical services while delegating detailed policy development and implementation to management. This allows CWEP to adapt to emerging threats and technologies while minimizing the need for repeated Board action on technical specifics.

Scope

This policy applies to all CWEP departments and employees.

Policy Statement

CWEP shall:

- Maintain a cybersecurity program aligned with industry standards (e.g., NIST CSF, NIST 800-53, and APPA RP3) tailored to meet CWEP's specific operational, regulatory, and risk management needs.
- Protect the confidentiality, integrity, and availability of systems essential to the delivery of electric, water, wastewater, and broadband services.
- Ensure cybersecurity risks are identified, assessed, mitigated, and monitored.
- Respond effectively to cyber incidents and support continuity of service.
- Train all employees on the cybersecurity risks, policies, and procedures pertaining to each employee's job responsibilities

CWEP's General Manager is responsible for ensuring appropriate cybersecurity policies and procedures are developed and maintained. The General Manager may delegate operational responsibility to the IT Department or other designees.

Governance

- The General Manager shall appoint a cybersecurity leader (e.g., Director of IT or the IT and Cybersecurity Manager) responsible for program development and execution.
- A cross-functional cybersecurity committee shall meet periodically to review risks, incidents, and mitigation strategies.
- The cybersecurity program shall be reviewed annually and after any significant event.

Delegation of Authority

Detailed cybersecurity policies, standards, operational procedures, risk assessments, and plans shall be maintained by the IT Department under the authority of the General Manager. These documents may be updated as needed to ensure ongoing protection and compliance with applicable law. Examples of delegated documents include:

- CWEP Cybersecurity Strategy Overview
- Cybersecurity Incident Response Plan (CIRP)
- Acceptable Use Policy
- Asset Inventory and Patching Procedures
- SCADA and OT Network Security Standards

• Password Policy, etc.

Compliance and Legal Requirements

CWEP shall comply with applicable local, state, and federal laws, including but not limited to:

- Federal and state regulations affecting critical infrastructure
- Applicable NERC Critical Infrastructure Protection (CIP) standards
- Applicable Environmental Protection Agency and Missouri Department of Natural Resources cybersecurity regulations

Confidentiality and Closed Records

CWEP records pertaining to cybersecurity, including but not limited to policies, procedures, standards, assessments, notes, and plans, shall be deemed confidential and closed to the extent allowed by law.

Review and Approval

This policy shall be reviewed by CWEP executive leadership annually and submitted to the Board for modifications when material changes are proposed. Technical updates to subordinate cybersecurity documents do not require Board approval.

Revision History:

Date	Description
8/21/2025	Approved by the CWEP Board

August 15, 2025

Mr. Chuck Bryant General Manager Carthage Water & Electric Plant 627 W. Centennial Carthage, MO 64836

RE: Mini Excavator Lease Extension - 36 months

Dear Mr. Bryant,

CWEP has the option to extend the lease on the current hydraulic mini excavator for an additional three years. The unit is still in good mechanical condition and should continue providing service needs for the departments.

The annual cost for extending the lease will decrease, as the unit is a 2021 model. The annual cost to extend the lease for another three years will be \$9,250.79. This renewal option will save CWEP approximately \$12,973.21 per year instead of leasing a new model excavator.

Fabick Cat is also offering to extend the Equipment Protection Coverage Powertrain and Hydraulics Warranty on this unit for the cost of \$3,275.00, which will cover all three years of the lease.

After discussing the options, CWEP has determined that the best and most economical decision is to extend the current lease.

With your consideration, I recommend that CWEP extend the lease on the existing excavator with Fabick Cat for another three years and include the extended warranty.

Respectfully

Kelli Stinebrook Purchasing Agent

August 18, 2025

Mr. Chuck Bryant General Manager Carthage Water & Electric Plant 627 W. Centennial Carthage, MO 64836

RE: Lift Station Upgrades

Dear Mr. Bryant,

I would like to request approval to proceed with the electrical upgrades at four of CWEP's existing lift stations. The lift stations to receive upgrades will be Flex-O-Lator, Ford, Precious Moments, and Underground. This construction project will include materials, concrete, electrical upgrades, labor, and generators at the Ford and Flex-O-Lators lift stations.

The total estimated cost for this project is \$334,539.31. All work will be conducted in accordance with the General Construction and Operational Maintenance Services Contract with Randy Dubry Construction.

With your consideration and approval, I recommend that CWEP award this project to Randy Dubry Construction for the amount of \$334,539.31.

Respectfully,

Kelli¹ Stinebrook Purchasing Agent

Jue mook

Budget: \$262,000.00
